

Everyone has a diagnosis story...

{Unexpected}

is a collection of stories that include real-life accounts from families who have received a diagnosis of Trisomy 21 (Down syndrome).

Families from around the world share what it was like for them to receive a prenatal, birth, or a potential, but unconfirmed diagnosis.

Readers will follow along as the contributors describe the many facets of their diagnosis experience and the range of emotions that came with it.

- Read the stories online: **www.mission21.com** and find us on Facebook to share your story.
- eBook available through Amazon and Barnes & Noble and in print at **[www. Lulu.com](http://www.Lulu.com)**
